I wonder if you've ever helped someone who you didn't like?

This story from the bible reminds us that God wants us to love everybody.

I wonder why the priest and the priest's assistant didn't stop and help the man who was hurt?
I wonder what made the Samaritan man stop and help the poorly man?
I wonder how you can show love to the people who you meet?

O God, open my eyes to see the needs of people around me,
and show me a way to help them.
O God, open my eyes to see the needs of people in faraway places,
and show me a way to help them too.
O God, teach me to love other people like you love them.
Through Christ our Lord, Amen.

Night night, sleep well, God bless x
