I wonder why God created people?

I wonder how you are like God?

I wonder where you see God's presence in the world today?

God, thank You for this day. Thank You for the birds and the animals, the flowers and the trees, the lakes and the streams, and the sun that rises and sets over them each day. Thank You for creating everything we see. Thank You for the life we live, and for making each person different. Thank You for Jesus, who died for us so that nothing can separate us from God and his love for us. What an amazing God You are!
Through Christ our Lord. Amen.
