I wonder how Joseph knew that God was with him throughout his life?
I wonder how you can tell that God is with you and your family?

God chose Joseph to do something special with his life. You are very special, and God has a special plan for you. These plans are for your whole life: when you're a child, a teen-ager, a grown up, an old person. What might they be? God knows. We must dream big dreams with him. When God looks through his photo album of all his children, Joseph is there. So are you. He loves you both the same.

Thank you, God, that you love me and have a special plan for me. Help me to love and trust you in return. We make our prayer through Christ our Lord. Amen.

Night night, sleep well, God bless x
