I wonder why Moses didn't feel like he was up for the job God was calling him to do?
I wonder what special things God would like you to do this week?
I wonder if you know how very special you are to God and how much he loves you?

Dear God,
You loved the people of Israel.
When they thought there was no way for them to leave their lives as slaves,
you sent them Moses to lead and guide them.
You love us too. Lead and guide us through our difficult times. Help us to trust in you.
We make our prayer through Christ our Lord, Amen.

Night night, sleep well, God bless x
