

# PARISH NEWS

BLESSED SACRAMENT PARISH

13 June 2021. Eleventh Sunday in Ordinary Time. Year B

---

**It is the smallest of the seeds, yet it grows into the biggest shrub of them all.**

How does a tree grow? The scientists can give us their answers, but the miracle of life on our earth, in all its dazzling complexity and variety is exactly that - a miracle. God is responsible for the miracle of Nature and growth - how, we don't know, but we accept God's guiding hand as a fact of our faith. This mysterious growth in Nature is used as a parable today, for the life of the Church and the Kingdom of God. Just as a seed, planted and watered, turns by miraculous processes into something different and bigger and beautiful, so the seed of the Gospel will grow into something else, by some means we can never fully understand. And that is the grace of God, encouraging, prompting and helping all men and women of good will to swell the coming Kingdom of our God.

# Life in the parish

In the last few weeks it feels as though the parish is coming alive once more. The number of people at Mass has increased, certainly at the weekend, and it has been a joy to celebrate the baptisms of three children and the marriage of one couple in the church. Below are the photos of these celebrations. We wish them all every blessing.

## Baptised in faith...

Recently we have celebrated the first baptisms in many weeks at the Blessed Sacrament when first Nkemakonam (Kema) Okoroafor and then Lily and Zoja Kieliszek were welcomed into the family of the church. We wish them and their families every blessing today and always.

## Congratulations

Congratulations to Sarah Scanlon and Matthew Taylor who were married at Blessed Sacrament Church last weekend. The sun shone and their 30 guests were delighted to share this happy moment. We wish them every blessing as they begin life as husband and wife.

# Pope Francis on Mercy

Knowing your enthusiasm for mission, I repeat: mercy always has a youthful face! Because a merciful heart is motivated to move beyond its comfort zone. A merciful heart can go out and meet others; it is ready to embrace everyone. A merciful heart is able to be a place of refuge for those who are without a home or have lost their home; it is able to build a home and a family for those forced to emigrate; it knows the meaning of tenderness and compassion. A merciful heart can share its bread with the hungry and welcome refugees and migrants. To say the word 'mercy' along with you is to speak of opportunity, future, commitment, trust, openness, openness, hospitality, compassion and dreams.

# Volunteers need for Exeter Vaccination Centre

Could you spare 4 hours to volunteer at the Exeter vaccination centre at Greendale? There is a significant shortage of volunteers at the moment to help with welcoming and directing clients through the vaccination centre. Volunteers of all ages are welcome, and the work is well organised with Covid-safety measures in place. Even helping out with one 4-hour shift once a month would be a valuable contribution to the national vaccination effort. For more information [click here](#)

# Called and Gifted, UK | Discovering your Spiritual Gifts

Each of us is created uniquely by God, in our time and place, for a purpose. When we understand and allow ourselves to be aligned with that purpose we are energised and fulfilled; and God's love and provision is able to flow more freely exactly where it is needed, through our spiritual gifts (charisms). Called and Gifted is the discernment process that helps us unlock our story, understand our gifts (charisms) and discover our unique mission. Called and Gifted has a rich history stemming from the Catherine of Siena Institute and the Catholic Diocese of Portsmouth. Called and Gifted, UK is a spiritual journey that helps you understand God's calling and identify your unique charisms to share with others. # Can you help someone at risk of homelessness?

People at risk of being evicted from their home are being urged to seek advice before it is too late. The message comes from Exeter City Council just days after a nationwide ban on rental property evictions carried out by bailiffs came to an end. The ban was brought in to prevent people becoming homeless during the global pandemic. Councillor Ruth Williams, lead councillor for supporting people said “It’s more important than ever for people to make contact with our housing teams before they become homeless”.
