29 May 2022 Sixth Sunday of Easter. Year C. *Psalter Week 3*

5 June 2022 Pentecost Sunday. Tenth week in Ordinary Time. *Psalter Week 2*

MAY THEY BE ONE

Today is an unusual 'in between' Sunday - in between the Lord's return to the Father's right hand at Ascension and the coming of the Holy Spirit at Pentecost. The Church's tradition is to spend this time 'in between' in prayer, as Mary and the Apostles did, waiting for the promised gift of the Spirit.

The Gospel for this Sunday is part of the Priestly Prayer of Jesus from the Last Supper – a prayer full of concern for his friends – for us, the Church. Eastertide has been all about the Church, and this Sunday is no exception: the vision of Stephen in the first reading, who sees heaven thrown open and is thus able to pray "Do not hold this sin against them" is a vision of what the Church must be – a community of love and mercy, always inspired (that is, guided by the Spirit) by the presence of Jesus.

The Church is itself the community 'in between' the Lord's first and second coming. As we await the coming of the Holy Spirit next Sunday, Saint John gives us the final vision of our destiny: "let everyone who listens answer 'Come!'"

Unity in Christ

In today's Gospel, we hear Jesus praying aloud to his Father the innermost concerns of his heart. With great intimacy and confidence, he pours out his deepest feelings about the future mission of the disciples in the Church which he is forming. He appeals to the Father to carry out his plan for the world, which will draw all people together in a common bond of love.

The unity in love of these apostles is to be the pattern in his community for all ages. Unity amongst Christians announces to the world the love that Christ has for all people and his wish to share his life with them. The main point of his prayer for unity emphasises that we will find this unity not in one another but in Christ. The more we grow like Christ, the more we grow like one another and our differences stem from not resembling him sufficiently. Only by a strong unity of one generation of believers with the next, and of one part of the Church with the other can Christian oneness really be achieved.

We are living stones in the building of which there is only one foundation, Jesus Christ. Each of us has the responsibility of promoting unity in a world largely indifferent to the Church. People will not know Christ is present unless we bear witness, and they see his face in our face.

Our love must extend not only to friends but to strangers as well, and it comes through generous and selfless giving. If Christ's prayer is to be realised, our oneness in the Lord must be visible. People should be able to see it. It does no good for believers to proclaim that they are God's children, baptised into eternal life, when the image they present to the world is one of division instead of unity and peace. 'Come, Lord Jesus, and unite us in your love.'

NEWS

Today is World Communications Day

The Pope's message for the 56th World Communications Day follows the theme 'Listening with the Ear of the Heart'. The title invites us to reflect that listening involves more than simply the sense of hearing. True listening is a foundation of genuine relationships, and is foundational to the relationship between God and humanity. The Pope, quoting St Paul, noted that "faith comes through hearing." In fact, he remarked, "listening corresponds to the humble style of God," who reveals himself by speaking, and by listening to men and women recognizing them as his partners in dialogue. Human beings are called in turn to "tune in, to be willing to listen," as God calls them to a covenant of love. Fundamentally, the Pope said, "listening is a dimension of love."

There will be a retiring collection at all Masses for the Catholic Communications Network which supports the work of Catholic media and news in this country.

Returning to Mass at Pentecost

An invitation from the Bishops of England and Wales

As the difficulties caused by the pandemic have lessened significantly, the Bishops of England and Wales have invited all Catholics, who have not yet done so, to return to attending Mass in person every Sunday and on Holy Days of Obligation. 'Virtual viewing' of the Mass online does not fulfil the Sunday Obligation. If you are suffering any illness or other factors which makes it difficult for you to attend Mass, then you do not need to follow the obligatory attendance.

The Platinum Jubilee of Her Majesty Queen Elizabeth II

The Bishops' Conference of England and Wales has established that at all Sunday Masses on 4 and 5 June 2022, each parish will pray for Her Majesty the Queen to mark her Platinum Jubilee by including an intention in the Prayer of the Faithful and by reciting at the end of Mass the Prayer for The Queen,

Prayer for The Queen

*Almighty God, we pray,
that your servant Elizabeth, our Queen,
who, by your providence has received
the governance of this realm,
may continue to grow in every virtue,
that, imbued with your heavenly grace,
she may be preserved from all that is
harmful and evil
and, being blessed with your favour
may, with the royal family,
come at last into your presence,
through Christ who is the way,
the truth and the life
and who lives and reigns with you
in the unity of the Holy Spirit,
one God, for ever and ever.
Amen*

The Beatification of Pauline Jaricot

The beatification of Pauline Jaricot took place in Lyon on 22 May this year, 200 years after she created the Association for the Propagation of the Faith, (now known as Missio APF), and 100 years since it was granted pontifical status by Pope Pius XI. She stands before us now as a shining example of the gentle courage and indomitable perseverance we will all need to bring us through these difficult economic and volatile geo-political times. She embraced the mission God gave her. She immersed herself in contemplation and committed herself to

the power of prayer. She worked for justice in the workplace. She took to heart the command of our Lord Jesus Christ to 'go teach all nations' and gathered people together in support of global mission. She gave all she had, and all she was, to the Lord, knowing that he would bring it to completion.

More information about Pauline Jaricot and her life, as well as the work of Missio can be found [here](#).

YMCA Exeter – Sidwell Studios officially open!

It was a wonderful moment when the ribbon was cut and Sidwell Studios was officially opened to the public by Exeter City Councillor Phil Bialyk on Tuesday 10 May with a ribbon-cutting ceremony.

The event marks the unveiling of a fantastic joint venture to tackle Exeter's 1-bed housing crisis by taking an abandoned warehouse near the city centre and converting it into 26 self-contained studio apartments. Each studio will provide a young person with a longer term, affordable home and support where needed.

The site, originally intended for student accommodation, is a groundbreaking initiative. YMCA Exeter are delighted to have completed the development thanks to the significant investment from both Homes England and Exeter City Council as well as donations from many charitable trusts and local supportive individuals and businesses.

These new homes will make an incredible difference to young people who have come through supported accommodation and who will finally be able to afford to move into a suitable self-contained home, in the heart of Exeter. The unique housing initiative is based on a model that will help young people to feel embedded in their community, but also be financially safe for them.

The new development sits adjacent to St Sidwell's Community Centre, providing the opportunity for residents to access vocational skills workshops and a community allotment.

In the new Sidwell Studios, YMCA Exeter tenancy workers will provide early intervention if any tenant starts to struggle to get the tenancy back on track.

Since the opening we've enjoyed showing many of you around, along with potential residents. It really does feel like a landmark moment and we were glad to have it captured for us by ITV News West Country.

If you would still like to join us for a VIP tour of Sidwell Studios, please send an email to: established2022@ymcaexeter.org.uk

The Inner-Life Demands of Climate Change

Doom, Dharma and the truth that sets us free: The Inner-Life Demands of Climate Change. Wednesday 8 June at 6.00pm at St Stephen's Church Exeter.

Come and hear Alastair McIntosh, honorary professor in College of Social Sciences, University of Glasgow, author and activist. The science of the Intergovernmental Panel in Climate Change is unequivocal. We're not about to go extinct on any credible scenario, but climate change is fast degrading the planet. It multiplies such factors as migration, conflict, food insecurity and habitat loss. But as COP26 shows once again, what the science says must be done and what politicians can deliver doesn't add up. What deeper truths might we be invited to face, both for us as individuals and in the activist and faith groups to which we might belong? More information available [Here](#)

CAFOD's Diocesan Fix the Food System

Join CAFOD's Diocesan *Fix the Food System* Online Meeting on 14 June at 6.00pm

The global food system is broken. There's enough food to feed everyone in the world, but, even before the invasion of Ukraine, 800 million people were hungry each day. Now following the Ukraine conflict many more will be pushed into hunger. The way we produce and distribute our food is driving many into poverty and creates a third of all of the global greenhouse gases that are put into our atmosphere each year! All is not lost, we can fix this broken system!

Join the CAFOD Plymouth Team online with CAFOD's Head of Campaigns, Andrea Speranza, on 14 June to learn more about how we can *Fix the Food System* and CAFOD's new campaign.

Pentecost Sunday 5 June

As the Father sent me, so I am sending you: receive the Holy Spirit

Pentecost Sunday marks the completion of the Easter Season, and the completion of the Paschal Mystery: the Lord has died, is risen, has ascended to heaven and now gives birth to his Church, by sending the Spirit upon the apostles. This feast of the gift of the Spirit is so significant for us, because it marks the handing on of Jesus' ministry to the Church. In the Church we are guaranteed the presence of the Lord, in his sacraments, in his ministers, in the Blessed Sacrament and in his Celebrated Word. It also marks the fulfilment of our thoughts about baptism throughout this season: the gift of the Spirit which we receive in Confirmation is the 'seal' of our baptism, guaranteeing and confirming all that baptism achieves.

Pentecost Picnic at Blessed Sacrament

On the birthday of the Church you are invited to share a picnic lunch in the garden of the St Richard Reynolds Centre. We will gather after the 10.45am Mass, weather permitting. Tea, coffee and squash will be provided. All welcome.
