## They do not practise what they preach

Living out our faith requires more than just words or rituals. It's about the way we connect with others and lead by example.

In the second reading today, we see the apostles' dedication to sharing their faith through loving relationships, akin

to a mother's care for her children. This serves as a model for us in how we can convey the message of faith—through genuine, heartfelt connections. Similarly, Jesus emphasized the importance of faithful leadership and sincerity in religious matters. He urged leaders to avoid hypocrisy and to remain true to their beliefs, setting a genuine example for others.

In essence, the readings for this Sunday remind us that faith isn't just a private matter; it's about how we treat others and the authenticity we bring to our relationships. True faith shines through in our actions, care for one another, and our commitment to living by the values we profess.

## World Day of the Poor 2023

**Do not turn your face away from anyone who is poor.** *Tobit 4:7*

*“These words help us to understand the essence of our witness. By reflecting on the Book of Tobit, a little-known text of the Old Testament, yet one that is charming and full of wisdom, we can better appreciate the message the sacred writer wished to communicate.”*

*Pope Francis.*

We are invited to celebrate World Day of the Poor on **Sunday 19 November** and to make every effort to create moments of encounter and friendship, solidary and concrete assistance with those who are poor. Pope Francis' message this year is a clear call to us not to turn our face away from the poor so that God's face will not be turned away from us. The recent Synodal Assembly message to the people of God reminds us that to progress in our discernment, the Church absolutely needs to listen to everyone, starting with the poorest. This requires a path of conversion, which is also a path of praise: “I thank you, Father, Lord of heaven and earth, that you have hidden these things from the wise and understanding and revealed them to little children” (Luke 10:21).

We are invited at all times, but particularly on this Sunday, to reflect on how we can draw close to those who are poor and bring hope and dignity to all who are in need both at a personal and parish level. You can find more information on the Diocesan website [www.plymouth-diocese.org.uk/wdp23/](http://www.plymouth-diocese.org.uk/wdp23/)

## CAFOD News

**Fix the Food Campaign** is working! Following our latest actions, the World Bank agreed to meet with CAFOD representatives in both London and

Morocco and have started to look at the issue. This is an important step forward in this campaign. But we know that big businesses will continue lobbying the World Bank to try to put profits before access to food. Next year we will continue to strengthen international solidarity and build on what we've achieved this year.

**Israeli-Palestinian Crisis** We have all been shocked and saddened by the images and stories in the media from Israel and Gaza. CAFOD has worked for many years in both Israel and the occupied Palestinian territory (oPt) with partners who are Christian, Jewish, Muslim and secular, and we join Pope Francis' urgent call for peace and an end to the violence. This is what we can do:

1. Send an Email to the Foreign Secretary – to play its part in upholding International Law ensuring humanitarian aid can reach people in need and work with other world leaders to secure peace for this region. Call for peace and international law to be upheld in the Holy Land ([cafod.org.uk](http://cafod.org.uk))
2. Pray for peace in the Middle East – Pray this prayer with your parish, family or on your own. Pray for peace in the Middle East ([cafod.org.uk](http://cafod.org.uk))
3. EMERGENCY Israeli-Palestinian Crisis Appeal – Donate now and your contribution today will allow us to provide urgent, practical help to families who need it, as soon as its safe to do so. Israeli-Palestinian conflict:([cafod.org.uk](http://cafod.org.uk))
